

# THE PENTHOUSE | CONVIVIUM III a creation by BREI

CONVIVIUM III's Penthouse is a truly unique living space, close to the hustle and bustle of Saifi Village and Gemmayze, that promises exclusive living, highest-quality interiors and cutting edge design. This funky four-story living space with huge bay windows and five metre high ceilings is all about subdued extravagance.

Designed by illustrious architect Bernard Khoury, the concept of the CONVIVIUM III Penthouse is sleek open space and transparency. Smooth and sensual, sculpted by light, this home is the perfect frame for the panoramic views of Downtown Beirut, the Mediterranean and the mountains.

Made for a discerning buyer, it offers a perfect urban lifestyle. Whether it's relaxing on the terrace, or perhaps hosting an intimate gathering around the fireplace, with CONVIVIUM III's Penthouse villa, who could ask for anything more.
